

# PERFORMANCE & PAINT WORKSHOP

## High Performance Teams Don't Paint By The Numbers.

Ready for a fresh take on team-building? In this dynamic, innovative, and fun workshop, we combine the best of science based high performance training with a guided team collaborative art project.

### THE RESULTS?

- ✓ Distinctive insights on communication, collaboration, and trust.
- ✓ A unique work of art that visually brings your team vision to life.
- ✓ A team cohesion experience unlike any other.

"I would highly recommend [performance and paint] to everyone. I gained personal development from participating and I think you saw what our team is like when we are actually working. We had a lovely time! The team was so full of life and encouraging. I must say that this is my favorite part of the whole event."

-- Associate Director, NASA Network and Telecommunications Services

## Our High Performance Team
